FBC Days: February 12,26

Beginning February 4, we will explore the Ten Commandments in light of how we live at home with our families. Whether you are single or married, have children, grandchildren or neither, we all can learn a great deal from the Ten Commandments. How do we keep God first in our busy lives? In what ways are we guilty of treating God flippantly? What is the secret to a long life? How can we enjoy the fruits of our labor without it going to our heads?

My prayer is that these sermons will challenge us to examine our relationships, priorities, and behaviors, especially as it relates to those who are nearest and dearest to our hearts: our families.
